PRESBYTERIAN CHURCH NOTES.

The fall rally service of the Second Presbyterian Sunday School will be held at 9:30 tomorrow morning. At this service all the old and many new scholars are expected as well as visitors. The mite barrels for the building fund will be opened, and plans for the fall and winter work will be given by the superintendent.

Rev. J. R. Sevier's subject at the morning service tomorrow at the Second Presbyterian Church will be "Watch and Pray," at the evening service, "An Empty Soul."

The illustrated lecture on Korea which was given last week will be repeated next Tuesday evening. This time it will be given at the old First Presbyterian Church on south Fairfax street, near Wolfe street.

The Chapel Sunday School of the Second Presbyterian Church, which is held in the old First church building on south Fairfax street, near Wolfe, will open for the winter's work tomorrow at 2 o'clock. Mr. P. J. Dempsey is superintendent and Mr. G. B. Kennedy is assistant.

FOOTBALL.

The prospects for a good football team in this city are particularly bright just at present. The Cardinals, formerly the A. A. C's, open the season this afternoon on the north Alfred street grounds with the Rayles eleven of Washington; the locals expect an easy victory, and will give several candidates a try-out for the different positions.

This game will not only show the strength of the Cardinals for 1910, but will afford the spectators an opportunity to criticize the new rules.

It is unfortunate that an athletic standpoint that Alexandria has no enclosed park in which these contests could be held and an admission fee charged; as it is indeed a difficult matter to raise funds to properly equip and maintain teams.

The officers of the football team are now seeking contribution to uniform the squad, and if the boys give you as good an article of this great game as they did last year, you'll not regret assisting them.

DEATH OF DR. OLHAUSEN.

A telegram was received here today from Harrisonburg announcing the death of Doctor Frank Olhausen, a popular young physician and surgeon of the Southern Railway, of the Harrisonburg division. He was a son-in-law of the late Captain W. W. Payne, nephew of Engineer Wm. A. Moore, and Mr. L. A. Howard of this city. Just two years ago death visited this bereaved family when the father, Capt. Payne, passed away. Dr. Olhausen married the eldest daughter, Miss Virginia Mason Payne, and granddaughter of the late General Wm. H. Payne, of Warrenton. Dr. Olhausen was well-known to many Alexandrians who will regret to learn of his death.

BASKETBALL TONIGHT.

The Y. M. S. L. "Speed Boys," last year's champions, will line-up in the first game of the season tonight at the Armory Hall at 8:15 when they tackle the Y. M. C. A. quint, of Washington. The Lyceum boys have been practicing hard for some time and expect to make it interesting for the Washington lads. The Y. M. C. A. has some of the best ball tossers in Washington, including several players from the Georgetown five. The line-up of the Lyceumites will probably be: Toomey, right forward; Entwistle, left forward; Patterson, center; Williams, right guards; and Cockrell, left guard.

DEATH OF MRS. McDANIEL.

Mrs. Sallie Yates McDaniel, widow of Calvin S. McDaniel, died at her residence, 1108 King street, at 9:30 o'clock last night. The deceased was 71 years old. She was a native of Frederickburg, and a daughter of John B. and Elizabeth Yates. Mrs. McDaniel became a teacher in the public schools of this city soon after her institution and for a long time was principal of Lee school. She was popular with all who knew her, especially the younger generation whose education she conducted in Peabody building in by-gone years.

POLICE COURT.

[Justice H. B. Caton presiding.]
The following cases were disposed of this morning:
Richard Swain, charged with disorderly conduct and fighting, was fined \$5.
Irene McDermott and Lottie Russell, charged with similar offenses, were dismissed.
A man charged with destroying property was dismissed upon paying damages.

HOUSE ROBBERED.

Mr. M. J. Moore, who resides near Bailey's cross roads, has reported to the police of this city that his house was entered by thieves a few nights ago and robbed of a double-barreled gun, a pistol, a suit of clothes, two pairs of trousers, shirts, some silver-plated spoons and a counterpane.

The pleasant purgative effect experienced by all who use Chamberlain's Stomach and Liver Tablets, and the healthy condition of the body and mind which they create, make one feel joyful. Sold by W. F. Creighton and Richard Gibson.

Mr. and Mrs. Smith, of Statesville, N. C., have issued invitations to the marriage of their daughter, Miss Clara Edith, to Mr. Leroy Pope, on October eleventh.

Mr. J. R. Caton has returned from New York where he has been on legal business. He says that while in that city he talked to many republicans who with one accord told him that they would next month vote the democratic ticket as a rebuke to Mr. Roosevelt, he, they said, is acting as though he wished to become dictator.

Rev. W. J. Mortou is spending a few days at Harrisonburg.

Mr. and Mrs. Louis Jaffa, of New York, are visiting Mr. M. Jaffa in this city.

CRIES OF MURDER.

Between eleven and twelve o'clock last night repeated cries of murder emanating from a house on Fairfax street, between Wilkes and Gibson, caused some excitement in the neighborhood. The house is on the west side of the street, and is situated some distance from the building line. Several persons living nearby responded to the cries for help. They found that a burglar had broken through a back window of the house, but had vanished when he found he had aroused the inmates.

A GREAT SHOW.

Those who want to be highly amused generally know where to go, and, notwithstanding the inclemency of the weather, the Opera House was filled last night. The performers were at their best and every feature was highly enjoyable. This is the last night of the present company and everyone should see the show.

BREAKS THE RECORD.

In speaking of the quality of tomatoes grown in this section, it is well to note, that on Washington street at the handsome residence of Mr. P. von de Westerlaken, there was taken from one of his vines yesterday a half dozen tomatoes, one of which weighed 17 ounces. It is suggested that it will be hard for anybody to "ketchup" with this record.

WAGON COLLIDES WITH A BUGGY.

A wagon belonging to Mr. James Patterson and in charge of Peter Gray, colored, collided with a buggy belonging to Mrs. Stone, of Braddock Heights, yesterday on King street, resulting in the breaking of a wheel of the buggy. The collision was accidental, and Mr. Patterson signified his intention to make good the damage.

RALLY DAY SERVICE.

The Methodist Protestant Sunday School will hold its annual rally day service tomorrow morning at 9:30 o'clock. A special programme has been arranged and a large attendance is expected.

Roosevelt's March Through Georgia.

Rome, Ga., Oct. 8.—From the base of lofty old Cook mountain Theodore Roosevelt today started upon a flying "march through Georgia." Upon his arrival here the former president was greeted by a good-sized crowd, despite the early hour.

The condition of his throat forced him to refuse to speak at the station, however, and he was hurried at once to the Berry School for girls, where he was scheduled to make a short talk. A brief speech to the townspeople was to be made on the way back to the train. Mr. Roosevelt today commented on the fact that he is now in "home country." His mother was a member of the widely known Bullock family of western Georgia.

From Rome the former president planned to go this afternoon to Atlanta where a truly Roosevelt programme has been arranged. On his arrival he will be taken to his hotel by a committee of citizens, who will turn him over to the Atlanta Chamber of Commerce. A reception and conservation speech at the auditorium and a reception to the ladies of "Uncle Remus" Memorial Association at the home of Mrs. Wilson, president of the organization, were to fill in the afternoon. At six o'clock he will have dinner with Mayor R. F. Maddox, leaving for the "Uncle Remus" memorial meeting at the Auditorium immediately afterwards. A short speech at the negro church of Rev. Dr. Proctor and an informal supper at the Capital City Club will round out the evening.

DIVORCE GRANTED.

In the case of Margaret Owens, of Logansport, Ind., against Robert Owens, the refusal of a husband to permit his wife to place her cold feet in the middle of his back was given as ground for divorce, and Judge Lairy evidently regarded it sufficient, as he rendered judgment in favor of the plaintiff.

The husband, who appeared in the case, testified that his wife from the first of their married life persisted in placing her cold feet in the middle of his back, and that finally he got tired of it and made her stop it. She said he became so touchy that he would crawl out of bed whenever she would touch him with her feet. She also complained that the husband had not kissed her in three years.

The husband answered this by saying that three years ago, during a quarrel, his wife informed him that hereafter they would live together only as "bored girl and boarder," that she would get the meals, and that no more should be expected of her than of any hired girl. He said that being a married man he had scruples about kissing the hired girl.

LOCAL BREVITIES.

At Christ Church tomorrow Rev. Dr. Mico, of the Theological Seminary, will preach in the morning and Mr. W. G. Harter, of that institution in the evening. The pulpits of the other churches will be occupied by the resident clergymen.

Acting Lieutenant Roberts and Officers Nicholson and Reed today arrested James Johnson, colored, on suspicion of stealing a gun and several articles of clothing from a house in the western section of the city. Johnson's house was searched, but none of the missing articles was found.

Work is underway at the Episcopal Theological Seminary, on an artesian well. This has proceeded very slowly, on account of the character of the soil, but it is hoped that an abundant water supply will result from the boring of the well, and relieve the anxiety about the sufficiency of the water supply at the Seminary during periods of droughts, one of which the country has just passed through.

Automobile Race.

Philadelphia, Oct. 8.—Over a course made exceedingly dangerous by the heavy rainfall of yesterday and last night, thirty-two steel steeds started in the third annual Fairmount Park automobile race at noon today. Prizes valued at \$10,000 are to be awarded. Mechanics among the winners will receive medals. The distance of the race is 200 miles, to cover which the racers must circle the 8-1-10 while course twenty four times.

In sweeping down the Sweet Briar Drive, Al Mitchell's car fractured an axle. The car turned turtle and Mitchell and his mechanic, Scott Malott, were buried under it. Both were removed to St. Timothy's Hospital seriously injured.

Mr. Roosevelt.

The part of the south that is confined to the borders of eastern Tennessee extended a hearty welcome yesterday to former President Roosevelt. He had previously been greeted at Bristol, Va. The new nationalism was warmly defended by Mr. Roosevelt in two speeches he made at Knoxville. He alluded to that topic several times and his hearers appeared to be in entire sympathy with what he said.

Dispatches from Knoxville says Virginia did not give Mr. Roosevelt a particularly warm reception during his trip through that state but from the time he reached Bristol, which is half in Tennessee, the welcome accorded him was hearty.

At the stations where stops were made in Virginia there were seldom more than 50 people. They listened with open mouths to his talks and generally forgot to applaud. The colonel told them he felt among his own people, southern Virginia and eastern Tennessee, and is understood to be part owner of extensive timberlands in Cumberland and Sullivan counties. His brother Elliot Roosevelt, lived in Abingdon, and his mother lived in Roswell, Ga.

At Bristol a cordial welcome was extended the former President. The town, divided by the main street, is half democratic, half republican, half license, half no license.

The reception was non-partisan affair, with an equal number of republicans and democrats upon the reception committee. Mr. Roosevelt was taken to the circus grounds, where, as a local paper said, "he emphasized the non-partisan occasion by an endorsement of Congressman Bascom Sloop."

In concluding his address, Mr. Roosevelt turned to Representative Sloop, and assured him that he was glad to be in Bristol in response to his invitation. He then commended Mr. Sloop, declaring that he stood as straight as a string while he (Roosevelt) was in Washington as the president. His words of commendation for Mr. Sloop brought forth hearty cheers from the crowd in front and from those upon the stand. The friends of Mr. Sloop were very much gratified at the cordial way in which Mr. Roosevelt expressed himself about the young Congressman.

Dug Up Can of Gold.

South Bend, Ind., Oct. 8.—Flower cultivation would become more than a popular fad if all amateur horticulturists had the good fortune of Mrs. Edward Casey. Mrs. Casey was making a flower bed in her yard yesterday when she uncovered an earth-incrusted but perfectly good \$20 gold piece. Thus stimulated, she began digging with spade and newly acquired ardor, and in a few minutes had exposed a rusty old can bulging apart with gold pieces amounting to \$1,145. Some bore the date of 1855, but most of them were coined in 1880.

The farm was formally occupied by Henry Casey, father of Mrs. Casey's husband, who died about twenty years ago. It is thought that he buried the gold.

Appeal Granted.

[Special Dispatch to the Gazette.]
Richmond, Va., Oct. 8.—The Court of Appeals today granted the appeal of the Washington Southern Railway from the Corporation Commission's two-and-a-half per cent passenger rate ruling. This is a test case backed by the R. F. and P. If the road wins all the roads in the state will probably seek to have the 3 cent rate restored.

Speaking of Beer

A fact of much importance regarding the continued increase in the consumption of beer is that the best physicians highly recommend its use.
